Marathon Park Grant Money:

1. It is the understanding of the Commission that Marathon Park has received a grant for a significant amount of money to bring Park to standards. The Disability Commission must be included in planning stages to ensure that Marathon Park is a truly accessible playground. Reach out to Parks and Recreation.

2. Bridgewater Town Building information distributed to Disability Commission. The Disability Commission rarely receives information from the town of Bridgewater pertinent to it's position and function. Often the Commission receives updates when called upon to "sign and approve" a building plan that has already been decided. Disability Commission letter to Town Mgr., Town Councilors, to include the Disability Commission on all updates.

3. Fire Department Home Safety Checks. Should the Disability Commission become involved?
