5. Set up a meeting with Mike Dutton / Kim Williams to discuss/ clarify a direction and stance for the Disability Commission that would be both beneficial for the Town of Bridgewater, but also enhance the Disability Commission's visibility within the town.

6. Set up a meeting with Committee Members for Stone Meadow and High Pond Estate, two large Bridgewater over 55 Communities containing large numbers of residents with disabilities.

7. Reach out to BSU to find out what challenges face students with Disabilities and how we may be of assistance.

Discussions at March Disability Commission Meeting included topics:

1. Enlist a BSU intern to assist in creating Bridgewater Disability Commission Brochure.

2. Concerns students with disabilities might face at BSU off campus housing, and how the Bridgewater Disability Commission may be of assistance.

A suggestion today would be to have Bridgewater Disability Commission Members volunteer for individual tasks to not only better clarify what we are working to accomplish, but to share workload and build the rapport of all our members within the many Town of Bridgewater agencies and groups.
