

Minutes of July 28th 2021 disability meeting.

In attendance: David, Henry, Lorraine, Anna, Gloria, and Zack.

Guests were police chief Delmonte, Jackie Hunt, Charlotte Hunt and David Moore. Meeting called to order at 2:30.

Police Chief Delmonte was very interesting as he discussed everything about the town functioning. He discussed the busy downtown and things to be done. He has 42 officers that cover 28 square miles. He discussed the traffic pattern, crosswalks and tree trimming to make signals more visible. He is going to try to have a representative at our meetings. We thank you for being at our meeting and all the info you gave us.

We are going to announce our next meeting on Buzz Around.

Marathon Park: temporary handicap signs were put up and a portion leading up to the entrance is to be repaved.

We talked about the ADA grievance procedure.

Jackie Hunt discussed her situation in great detail and is planning to be at the next town council meet with representative from the commission.

It was brought to our attention by Carlton of the town having video of the town sidewalk conditions and that we should get to see them

We voted to support Jackie Hunt.

The next meeting is on Aug 25th at 2:30 at the senior center. Meeting was adjourned at 4pm.
