**BALLOT QUESTION**

"Should the Town of Bridgewater adopt the following Amendment to its Town Ordinances, adding to Chapter 160, Article VII Prohibition of Marijuana Establishments:

"Section 2: Exception

A medical marijuana treatment center licensed or registered not later than July 1, 2017 that has been continuously engaged in the cultivation, manufacture or sale of marijuana or marijuana products to marijuana establishments engaged in the same type of activity under Massachusetts General Laws shall be permitted to convert to a "Marijuana Retailer" as defined under Massachusetts General Laws, Chapter 94G, Section 1. Pursuant to Massachusetts General Laws Chapter 94G, Section (2)(iii) there shall be no more than two (2) possible conversions of medical marijuana treatment centers to marijuana retailers. "Marijuana retailer" is defined as an entity licensed to purchase and deliver marijuana and marijuana products from marijuana establishments and to deliver, sell or otherwise transfer marijuana and marijuana products to marijuana establishments and to consumers.

Explanation:

1. This will allow the voters of Bridgewater a direct decision in a binding Ordinance change;
2. This Ordinance will allow the conversion of the two existing medical marijuana facilities to marijuana retailers;
3. Marijuana retailers can directly sell, deliver or otherwise transfer marijuana or marijuana products to consumers;  
and
4. This Ordinance limits the number of possible conversions of medical marijuana treatment centers to marijuana retailers to two (2).
